The Salvation Army is a Christian denomination and international charitable organisation organised in a quasi-military structure. The organisation reports worldwide membership of over 1.5 million, consisting of soldiers, officers and adherents known as *Salvationists*. Its founders William and Catherine Booth sought to bring salvation to the poor, destitute and hungry by meeting both their "physical and spiritual needs". It has a presence in 126 countries¹ running charity shops, operating shelters for the homeless, and providing disaster relief and humanitarian aid to developing countries. www.en.wikipedia.org/wiki/The_Salvation_Army
